SAVE THE DATE! 2ND AIRTN NEXTGEN NETWORK MEETING

30 June 2015, Vienna

AirTN NextGen is a support action funded under the Framework Programme 7 to stimulate transnational cooperation in the aviation field for: RTD and innovation, research infrastructure related activities, education related activities. AirTN-Nextgen will strengthen and widen the aeronautical network established under previous AirTN projects to reach out towards aviation in H2020.

The 2nd AirTN Nextgen Network Meeting is planned as a **full day workshop** on aviation transnational cooperation possibilities. The workshop is **jointly** organised **with the ACARE Member States Representative Group** and will take place on **30 June in Vienna**.

The **intention of the workshop** is to highlight possibilities for transnational cooperation and to discuss **the way towards future transnational cooperation**. Target groups are ministries, agencies and organisation managing national/regional funds in aviation.

For interested people, a **facility tour of the [Vienna Climatic Wind Tunnel](#)** is being organised on **29 June in the afternoon!**

An official invitation and a draft agenda will be sent out soon.

In case of any questions please do not hesitate to contact [Vera Eichberger](#).
