AIRTN NEXTGEN

The Air Transport Network, AirTN NextGen, a CSA funded under FP7, creates a platform of networking and communication between regional, national and governmental organizations supporting research and innovation in the EU Member States and Associated Countries to the EU Framework Program in the field of Aviation.

UPCOMING EVENT 2016

AIRTN NEXTGEN WORKSHOP

„Setting Boundary Conditions for Competitive Aviation Research and Innovation in Europe" 10-11 October 2016 Bratislava

The AirTN NextGen consortium is glad to invite you to the final AirTN NextGen Workshop and Network Meeting on 10-11 October in Bratislava, Slovakia.

The primary objective of the workshop is to present and share the knowledge, information, facts and figures resulting from the AirTN NextGen project regarding transnational cooperation, research infrastructure and educational related activities, and to discuss lessons learnt, best practise, future cooperation initiatives.

AirTN NextGen (www.airtn.eu) is a network of national ministries and agencies of several EU Member States, which are involved in aviation research and innovation. It is co-funded as a support action under the 7th Research Framework Programme of the EU.

AirTN NextGen aims to stimulate transnational cooperation in research and innovation, research infrastructures, education and related activities in areas of aeronautics and air transport.

Detailed information about the workshop, the agenda and the registration link can be found on: [AirTN NextGen Final Network Meeting &](#)

Workshop

The participation is free of charge and we recommend to register before 3rd of October.

The AirTN Consortium is looking forward to seeing you in Bratislava!

In case of any questions, please do not hesitate to contact Marcello Amato (m.amato@cira.it) or Vera Eichberger (vera.eichberger@ffg.at)

We are looking forward to welcome you to the AirTN workshops and meetings
