Alternative => Eranet cofund H2020: aviation

ERA-NET Cofund: implementation of a co-funded joint call for proposals (compulsory, one co-funded call per Grant Agreement)*

EU contribution: proportional contribution to total public funding of the joint call

Stable reimbursement rate: ERA-NET Plus reimbursement rate from FP7 (33%) applies

Additional EU contribution to coordination costs on the basis of a unit costs for additional activities including additional calls without top-up funding

Co-funded calls: proposal evaluation and selection according to Horizon 2020 standards

* ERA-NETs based on a Coordination and Support Action (CSA) are no longer possible. Only in exceptional cases it might be considered to support the preparation and structuring of specific emerging P2Ps that demonstrate clear European added value.
